KNN ENTERS THE COMPUTER AGE

Since I last wrote to you, I turned 60, had all the children and grandchildren down for a big birthday celebration, and Kenmure Newcomers and Neighbors (KNN) joined the computer age. Well let me tell you, I'm not sure which of the three caused me the greatest concern. Charting unknown territory always causes some apprehension. Getting older has its moments, little people running around can wear you out, and starting a new means of receiving information from nearly two hundred people can really keep you up at night.

First of all I want to again thank Stan Christman for designing the database that we are now using; Debbie Evilia, KNN database board member, for trying to keep all of this new computer information organized and understandable to those of us that aren't totally computer savvy; Mary Jo Shores, data volunteer for this first rotation when we decided to really put Stan's program into action; and last, but not least, Larry Rostetter, who has developed the web based KNN activity selection sheet that many of you used to make your activity selections.

This is the first rotation in which we have asked any member who was willing to be involved with selecting their Spring rotation activities via either email or Internet to register in these modes. As with anything that is being tried for the first time, we encountered some glitches. These are minor problems that we will be working on before the next rotation so that your activity selection will go even smoother for the Fall rotation. Thanks to everyone who used the program and was patient if they ran into some minor problems.

Debbie Evilia will be writing a series of articles explaining the activity rotation process. PLEASE refer to the first article in the special insert in this newsletter. Debbie has addressed the KNN activity selection website and the activity selection process, including definitions.

THIS IS REALLY IMPORTANT STUFF, SO PLEASE READ THE ARTICLES. OUR ORGANIZATION IS JOINING THE 21ST CENTURY AND WE WOULD LIKE TO MAKE IT AS EASY AS POSSIBLE FOR EVERYONE.

If you have any questions please call Debbie (692-0626)(devilia344@bellsouth.net)

What do Activity Leaders do?

These dedicated volunteers set up the activities for each rotation. They also make every effort to be sure you have a positive experience. Say thanks next time your paths cross.

What do Area Captains do?

They contact new members, welcome them to the organization. They also pass out and collect activity sign-up sheets, as well as get your annual membership directories to you.

Area Captains Please Note

If you are going to be away, please inform the Vice President so she can appoint a substitute At Large Captain.

Check the KPOA Website

Don't forget that, in addition to the printed newsletters being sent to you at your primary addresses, the most recent edition of the KNN Newsletter is now available on the KPOA website(www.kenmure.org), so you need never be out of touch. There are links to everything from *critter reports* to *homeowner services* to restaurant reviews to items for sale on the *trading post*. The KNN link is on the left panel.

**KENMURE FIGHTS CANCER
JUNE 4, 2008**

Kenmure's fight against cancer continues. Please mark the following on your calendars: "Indiana Jones and the Kingdom of the Crystal Skull" starring Harrison Ford—May 27 & 28. This is the latest in the *Indiana Jones* series, and is being shown at Flat Rock Cinema for Kenmure friends and family on these nights only. Plan to come early and have Green River Barbecue or other tasty treats. Tickets are \$10 for club and non-club members. Remember, \$5 per ticket is being donated to Pardee and Park Ridge Hospitals. There will be no refunds once reservations are made. Club members' tickets will be charged to their club accounts and delivered to their doors by the 14-hole gentlemen. Please call Jackie Murrill (698-8360) or Bonnie Niehoff (692-9732) before May 15 to reserve tickets.

Call the Pro Shop beginning May 4 to set your tee time for the June 4 Kenmure Fights Cancer Golf Tournament. For the Tennis Tournament, please register your intention to play with Mary Lynn Yost (698-1847).

If you have not yet bought or placed an order for your KFC bracelet, supply and demand has taken over, and the price is now \$15. Bracelets are available in the Pro Shop. Please contact Melinda McCormick (693-5565 or msm128@mchsi.com) for bracelets or hole sponsorship signs.

NEW ACTIVITY

Some of you may have noticed a new activity choice being offered for the upcoming rotation—WINE PAIRING. You might also be wondering how this differs from Wine Tasting. WINE PAIRING will bring together people who enjoy and care about wine and its interplay with food. In WINE PAIRING each couple will be assigned to bring one course (appetizer, first course, main course, or dessert) **PLUS** an appropriate wine to pair with the dish they have prepared. Typically, the host will provide the main course. The assignments will rotate for each successive month.

WINE PAIRING does not mean you must pull out grandma's lace tablecloth and your finest crystal. WINE PAIRING does mean a lot of fun! Even if you don't know the first thing about how to choose a wine, any reputable wine shop will be happy to help; and remember—you will only need to figure out one pairing per month! Come join the fun!!

THANKS!

We received a lovely thank you from the Post Commander and the Post Manager of American Legion Post #77 for our contribution to Honor Air last year.
