**MOTION RELATING TO THE PURCHASE OF 10 KENMURE DRIVE  
WITH ROAD FUNDS**

**MOTION:** That the Kenmure Property Owners Association ("KPOA") Board has decided to purchase the property located at 10 Kenmure Drive Flat Rock, North Carolina. A sales contract dated April 22, 2011 has been negotiated and executed for the purchase. The sales contract has been approved by the KPOA Board. The purchase price under the sales contract is \$275,000. KPOA is also obligated to pay certain closing and other costs related to the purchase of the property (including but not limited to legal, appraisal and inspection fees). Information was disseminated to the KPOA membership through mailings, public meetings and posted on the KPOA website concerning the purchase price and the potential for Road Funds to be invested to finance the purchase. An affirmative vote of the membership, by more than a majority of KPOA members, was received approving the purchase of the property.

Further, the KPOA Board has examined the projected cash needs (both long and short term) for Road Funds and has determined that excess funds exist which should be invested under the KPOA Board's investment policies. The Board has received a written opinion from its legal counsel advising that pursuant to the KPOA Bylaws and Declaration, Road Funds may be invested to finance the purchase of 10 Kenmure Drive. The KPOA Board's historical practice has been to invest funds, including Road Funds, in excess of projected needs.

**THEREFORE:** The Board authorizes the KPOA Treasurer to lend to the KPOA Administrative Fund the sum \$275,000 plus those costs related to the purchase of 10 Kenmure Drive from the Road Fund under the terms and conditions set forth herein. The Road Fund shall be repaid over a 15 year period with monthly principle and interest payments beginning on the last day of each month beginning January, 2012 and ending December, 2026.

Interest for the period from the closing date until December 31, 2011 shall be based on the average one year certificate of deposit rate as of July 18, 2011 obtained by the KPOA Treasurer from three banks doing business in Henderson County, North Carolina. Interest for the remainder of the repayment period shall be adjusted yearly based on the average October 1 one year certificate of deposit rate obtained from three banks doing business in Henderson County North Carolina. The selection of the banks for the interest rate calculation set forth above shall be at the KPOA Treasurer's discretion.

All payments shall be applied first to accrued and unpaid interest on the unpaid principal balance and the remainder to principal. The KPOA Board may approve the early repayment of the loan without paying interest which has not accrued and without penalty.

The KPOA Treasurer shall report to the KPOA membership on a yearly basis the status of the loan repayments beginning in 2012.

**ADOPTED** this 21st day of July, 2011
